Registration

Registration is strictly an online process. Go to [https://tinyurl.com/rpscportalpage](https://tinyurl.com/rpscportalpage). Read the instructions before clicking on “Registration Portal” to begin the application process. You will be taken to the registration portal where you must read all the instructions in order to ensure your registration application is completed accurately.

You must select each and every week you plan on sending your camper and make all the selections within each of the weeks in order to avoid risking space filling later on. You will be billed and responsible to pay for each week selected during the registration selection process by the deadline (see Payments on the next page) unless a schedule change/cancellation is submitted via email (summercamp@rpsd.org) no later than 11:59PM, the Sunday, TWO weeks prior to the week/weeks being changed/cancelled.

Registration Dates

- **Registration Opens:** Date will be posted via email, High School Marquee, and website
- **Registration Closes:** Once all space has been filled

Registration Requirements and Deadline

**FAQ – What do I need to do for my registration application to be considered complete?**

**Answer** – After submitting the online registration application, you must pay the remaining initial payment requirements AND submit ALL the document requirements (see lists on page 5)

**FAQ – When do these requirements need to be completed?**

**Answer** - Once you make all of your selections and submit your application, you will need to submit the remaining initial payment (first and last week) and upload the required documents within 2 weeks of your application submission. If the registration is not complete within the 2 weeks of the application submission, all selections that were made, are subject to being released back into the portal. At that point, you will need to re-select your sessions and activities and will be subject to whatever remains available at that time.

**FAQ – How do I know what my remaining initial payment amount is?**

**Answer** - Since selections vary from camper to camper, each household will have a different remaining initial payment amount. You must calculate your first week amount and your last week amount and submit that after you submit your registration application. There will be instructions on how to do this at that step.

**FAQ – How do I know if my application reached acceptable completion?**

**Answer** - As soon as you submit your application online, you will receive an automated email immediately, confirming that submission. At that point, you will have 2 weeks to complete the remaining initial payment (first week and last week) and upload the required documents. You will receive an email before that 2 week time is up, specifying exactly what else is needed to avoid all of your selections being released back into the portal.

Refunds and Changes/Cancellation Policy and Procedure

While we strive to offer flexibility in all aspects of our Summer Camp, we must institute policies to ensure the safety of your camper and our ability to continue to offer a quality program. Once you are completely registered for all the weeks that you intend your camper to attend, we work diligently to staff and organize appropriately. Roselle Park Summer Camp has grown exponentially over the last few years and in order to preserve the quality of your camper’s experience and safety, we have a capacity restriction that once we fulfill, all others are placed on what has become a lengthy waitlist.

The deadline to change/cancel day(s) or week(s) has changed.
We still want you to be able to select all the weeks you anticipate sending your camper, with the ability to cancel later on, so you can avoid the possibility of space filling up as you make your final summer vacation plans. However, the deadline to change or cancel has changed, in order to allow waitlisted campers a more reasonable opportunity to fill the spot you originally reserved.

New Deadline: 11:59PM, the Sunday TWO weeks prior (3 Sundays) to the week being changed or cancelled.

A change/cancellation timeline is here for your reference

Ask if a waitlist still exists for the particular day(s) or week(s) that you wish to add. If no waitlist exists for your requested day(s) or week(s) and there is room, we will add it to your cart and adjust your bill accordingly. Fees for the additional day(s)/week(s) will be due by the due date of that week (the Wednesday prior) or immediately if the deadline has already passed for that week. If a waitlist exists, you will be directed to the waitlist link to add your information.

- 1st – 5th Grade Campers - will report to the cafeteria where they will settle in and store their lunches.
- 6th - 8th Grade Campers - utilize 5 different classrooms as their “Homeroom” (referred to as the College Rooms) where they spend non-activity period time. Parents can select the homeroom on the registration application portal (Caldwell, Kean, Montclair, Rutgers, or Seton Hall). A different homeroom may be chosen for each week at the point of online application selection. No changes will be made after the registration application is submitted. There is no difference between the different Homerooms. It is simply an organizational tool for the camp, an easy way for the campers to identify their “Homeroom”, and an opportunity for parents to pre-organize with other siblings/friends.

FAQ – What is Morning Activity?
Answer – Morning Activity (9am-10:30am) is either Sports, Games, Digital Gaming, Personal Games, or Computers. Campers in grades 1-3 will go to sports and 4th-8th can choose on a daily basis which of the activities they would like to join.

FAQ – Are lunch and snack provided?
The summer camp does not provide lunch or snack. However, we do have a snack cart where campers can purchase snacks. When packing lunches, please keep in mind that we are a NUT FREE FACILITY and do not have access to refrigeration or heating. Please LABEL YOUR CAMPERS LUNCH BOX. We also run a weekly Pretzel Sale. Email notifications will go out announcing details. We will have LIMITED emergency only lunchables available for campers without a lunch. $5 will be added to your bill. You will receive an email if your camper was provided a lunch. Due to the size of the camp and logistics of the day, notice prior to dispensing lunchables is not possible.

FAQ - How and when are the activity period classes selected?

Answer – Activity periods 1, 2, and 3 are chosen online at the time of online registration application selection for each week you add to your summer camp cart. The activities chosen in each of these periods will be your camper’s schedule for that week for periods 1, 2, and 3.

FAQ – How do I change the activity period classes after the registration application is submitted?

Answer - To request a change after the online registration application submission DO NOT RETURN TO THE REGISTRATION PORTAL.

- Use the online Activity Change Request link, which will be emailed out and available on the “Activity Change Request” page of the Summer Camp website, https://tinyurl.com/activitychangement
- The link is active and accessible for one week and remains so until 10am the Friday prior to the week for which you are requesting the change.
- All change requests are subject to availability and not guaranteed. After the request deadline, no changes will be made to the following week of originally selected activities.

FAQ – Why can’t changes be made after the change request deadline?

Answer – Attendance is taken in each activity, in order to keep track of campers and ensure their safety. Due to the size of the camp and the amount of activities, the lists for each activity (per period) are generated on Friday of the week prior and disseminated amongst the counselors running the activity. Changes made to these lists after this, jeopardizes the accuracy of attendance taking and thus camper tracking.

FAQ – How do I know if my requested changes were granted?

Answer – Once the request link becomes inactive, we work through each and every request. We make every effort to grant the change request. Once all requests have been addressed, the request link for the following week will be released via email. That is when you can visit the portal to view your registration summary and see if your requests were changed or if they needed to remain the same. These instructions and portal link will be included in the request link release email. Due to the volume of weekly activity change requests, individual responses will not be provided.

DIRECTIONS FOR DROP-OFF AND PICK-UP

We appreciate your need for safe and fun child care. We are very careful in our attendance-taking procedures throughout the day, as well as being especially cautious in assuring the safe pick-up of our campers. It is with that in mind that we ask that you follow the procedures below when dropping-off or picking-up your children: Summer camp only uses one entrance/exit.

The entrance door that we ask that you use is located between the Middle School and the Robert Gordon Elementary School. There are camp employees at our front desk to assure that no one else can enter the building. **DO NOT use any other door of the middle school to enter/exit the building.**

CAMPER SIGN IN/OUT PROCEDURE

**Sign-in Procedure**  
Your camper must be properly signed in and out each day. At the beginning of the summer, we ask that you come in with your camper to assure that their name is on the correct list (full days/half days, etc.) Lines will move faster after the staff becomes familiar with faces. When your camper comes in, the front desk staff will mark in our attendance book that they are present.

**Drop off time**  
Camp opens at 8am. Early drop off starts at 7:30 am and is $2 per camper for any entrance time prior to 8am paid in cash at the time of drop off each day. The camper will then proceed to their designated area according to grade level, where they will get situated for the day.

**Sign-out Procedure**  
Only the individuals listed on your Escort Authorization list, when you fill out your online application, will be able to sign out your camper.

When your camper is picked-up, you will come in to our front desk, and we will check your identification. We will not release a camper to a person who does not have proper identification, or whose name does not appear on the escort list. **NO EXCEPTIONS!** Once we have verified authorization for pick-up, we will call your camper to the front desk as you sign your name, date, and time of pick-up in our book. Changes or updates to your online list can be made via email request (summercamp@rpsd.org)

**Late pick-up**  
You will be charged $1 per minute after 1:00 PM (half day) or 6:00 PM (full day). We do not provide aftercare. Please make every effort to be prompt when picking-up your camper.
EMERGENCIES

Emergencies
Fire, lockdown, and medical drills are conducted for camper protection. Specific instructions are posted in every room. Directors and counselors will familiarize campers with these procedures.

Emergency Closings
In the event of an emergency closing or delayed opening, you will be notified via email.

MEDICAL AND SAFETY

Immunization Requirement
For Camp Entrance as per Chapter 14 of New Jersey Law. Immunization Records are requested online and should be uploaded into the registration portal.

Administration of Medication
It is an administrative requirement of the Roselle Park Summer Camp that the camp does not provide students with aspirin or any other medication unless deemed necessary by the camper’s doctor. Any medication(s) to be kept at camp must be accompanied with the appropriate medication form(s). Medication Forms are available in the Registration Portal under Upload Documents.

Contagious Diseases
Any contagious diseases must be reported to the camp nurse. A physician’s note may be required in order for the camper to return to camp. If parents notice a suspicious rash on a camper, the camper should be kept home and a physician consulted. The camp should then be notified.

Conditions Requiring Temporary Exclusion
Temporary exclusion is recommended when the illness prevents the camper from participating comfortably in activities as determined by the staff of the school or program; the illness results in a greater need for care than the staff of the program determine they can provide without compromising their ability to care for other campers; the camper has any of the following conditions, unless a health professional determines the camper’s condition does not require exclusion: appears to be severely ill (this could include lethargy/lack of responsiveness, irritability, persistent crying, difficult breathing, or having a quickly spreading rash, fever (as defined above) and behavior change or other signs and symptoms (e.g. sore throat, rash, vomiting, and diarrhea).

Allergies
Due to allergies that are potentially life-threatening, we are now a NUT FREE FACILITY and any products that contain nuts are not allowed here at camp. We understand that the favorite lunch for many children includes peanut butter, but we must maintain a safe atmosphere for all of the campers.

Safety
For safety purposes, we suggest that the campers wear sneakers rather than sandals or flip flops so that they may participate in our morning activities that may include a variety of sports or relay races.

Sunscreen
Campers must either come in with the sunblock already applied or be able to apply their own sunblock, as we are unable to apply sunblock to your child.
LOST OR STOLEN ITEMS

If campers are missing items such as clothing, back-packs, or lunch boxes, please check the “Lost and Found” table that is behind our front desk. Having the items clearly marked with the camper’s name may also help the campers keep track of their belongings.

We will not be responsible for lost or stolen items, including (but not limited to) personal games and cell phones. We understand that parents may want their children to have their phone with them for communication purposes, however, we do provide access to our main office for any phone calls that are deemed necessary.

PERSONAL HANDHELD DEVICES

Please be advised that campers, who bring in cell phones, tablets, or other hand-held computer games, do so AT THEIR OWN RISK. In addition, campers are prohibited to take pictures and should that occur, it will result in consequences.

Roselle Park Summer Camp will not be held responsible for content viewed on personal handheld devices.
